Update from the Principal

It's a really busy week next week for LFPA. Our results this year have been amazing and in all cases above national. It just proves that teamwork, determination and motivated children is the right combination.

Phonics - 82% (up by 5% from last year)

KS2 Reading - 78% (up by 28% from last year) with 22% at greater depth.

KS2 Writing - 76% (up by 16% from last year) with 19% at greater depth.

KS2 Maths - 76% (up by 36% from last year) with 13% at greater depth.

KS2 combined reading, writing and maths - 72% (up by 42% from last year) and 4% at greater depth.

We are definitely celebrating these results with the children and feel confident in sending them up to high school with all the knowledge and skills they need to achieve their potential.

Our priorities next year are to develop the personal development area for the children so that they have more opportunities to access events and experiences through school. Attendance remains a priority as we are well under the national expectation for this. The Department of Education have published statutory guidance in relation to improving school attendance and our stance on attendance will follow this. I will email out details of the changes throughout the coming weeks.

We say goodbye to our wonderful year 6 children next week which will be emotional for all of us. I personally have loved this year group. They have worked so hard this year and done this with smiles on their faces. I will miss each and every one of them and wish them all the very best for their futures. Thanks go to all the families for supporting us this year. You should be very proud of your children.

Miss R Stansfield

Uniforms

I always like a good sort out at home during the summer holidays and go through my children's clothes including their uniforms. Children grow out of their uniforms so quickly in primary school and often there is nothing wrong with them other than they are too small. If you have any uniform that is in good condition, please can you bring it into school and put it in the main office for others to have. Thank you for your help with this.

Attendance and Celebration

Attendance

Still lots of top attenders.
Keep going - only one more week to go!

It is vital that **ALL** children attend school as much as possible.

One day's absence equates to 5 hours and 30 minutes of lost learning.
